Parents,

The eighth grade class trip to Chicago is planned for Thursday, May 10, 2012. I am wondering how many parents are interested in going on the trip. I only take one parent per family. I am not sure how many parents will be able to go, so I need to know if you are interested so I can arrange numbers at the various places we visit. **In order to go on the trip, you must have completed all aspects of "Protecting God's Children".** Please return the bottom portion of this letter ASAP so I can contact the museum and restaurant. I do not need the name of the parent going just if you are interested.

Also, the eighth grade will be taking the Explore Tests for high school placement next week on **Tues. Nov. 8** and **Thurs. Nov. 10 IN THE MORNING** after the algebra students return. Please make sure your child has a good night's sleep and they eat a good breakfast so they can do their best on the tests. Also, I am hoping that there are no appointments scheduled on those two mornings.

Thank you for your continued support.
