Tournament format

****Please do not bring volleyballs****

This is a double tournament day; a morning tournament separate from an afternoon tournament. Each tournament will have a champion team. This is a round robin tournament with each school guaranteed three matches. Games are played to 25 points and third games are played to 15 points. No cap on any games. Individual medallions will be presented to the members of the tournament

champion team. The tournament champion team is determined by win-loss record. A two way tie breaker will use head to head competition. A three way tournament tie will use a point differential system counting points in games against all opponents. If two teams are still tied, then they alone start the tie breaker process over. If a tie still exists, then a coin flip will determine the tournament winner.
