If there are two names on a line, the first person works the shift and the second person supplies the cake or item to raffle that game.

Each student must work 1 shift and bring 2 cakes (pies, cookies) to raffle during each shift or work 2 shifts and bring 1 cake (pie, cookies) to raffle during each shift. Please put the food in a container that can be taken by the winner. Please cover it in a transparent wrap so it can be seen but not sampled. Please do not send cakes or pies that have to be refrigerated. Thanks in advance for your help in this endeavor.
