EMPOWER ILLINOIS SCHOLARSHIP UPDATE

More than 30,000 people across the state of Illinois attempted to apply for a scholarship through Empower Illinois last week. Unfortunately this high demand caused their servers to go down. We do not yet have a date when the application will open again, but Empower Illinois has assured us that we will receive a one week notice. We will relay information as it becomes available. You can also check the empowerillinois.org website for updates. Thank you for your patience.
